

Dear Alliance Supporter,

This year, we will present our **30th Kitchen Tour** fundraising event on Sunday, **October 23**, from 11 a.m. to 4 p.m. We will accommodate social distancing through a virtual tour, if necessary. The pandemic has been challenging to navigate the last two years; however, our 2021 Kitchen Tour was a success. With your help, we know our 30th year will be a success as well!

As an organization dedicated to promoting community health and wellness initiatives, we are pleased to announce this year's tour will benefit **Keaton's Kindness Foundation (The K Club)** and the **Health Alliance for the Uninsured (HAU)**. The K Club serves pediatric cancer patients who are treated at Oklahoma Children's Hospital and the Jimmy Everest Center for Cancer and Blood Disorders and their families. They give Lego parties for children in the hospital, K Packs for children in hospice, assistance to families with funeral costs, random acts of kindness, and celebrations such as breakout parties, bell ringing and birthdays. HAU assists through Healthcare Services Navigation Program, Care Connection Specialty Physician Referrals, Medication Assistance and special programs working with Diabetic patients and more. The organization helps Oklahomans seeking basic health care, mental health, vision, dental and women's health care. It also guides Medicaid enrollment to improve individual and community health outcomes.

In addition to supporting event beneficiaries, the annual Kitchen Tour helps fund our **Community Service** initiatives, in which our organization donates funds, goods and volunteer hours to organizations in Oklahoma County throughout the year. OK Kids Korral, HOPE Homeless Outreach in Public Education, The HUGS Project, Palomar and SISU Youth Services are a few of those organizations that we have recently supported. Though it may be more difficult this year to give, your organization's donation allows us to support many very deserving charities and carry out service projects year-round.

ADVERTISING - We will produce a booklet of the homes and would love for you to place an ad! If it is necessary to produce a virtual tour due to COVID, your ad will be featured on the virtual video as well.
