2023

Dear Alliance Supporter,

We are pleased to present our **31st Kitchen Tour** fundraising event on **Sunday, October 22, from 11 a.m. to 4 p.m.** and we hope you will work with us, once again, to make our community a healthier one!

This year's tour will benefit **Vizavance** and **Healthy Schools Oklahoma (HSOK)** led by **Bethany Children's Health Center**.

- Formerly known as Prevent Blindness Oklahoma, **Vizavance** advances children's education by identifying vision issues as early as possible. The organization provides free screenings at public and private schools, daycares and Head Start Centers located in all 77 Oklahoma counties. Funds raised will help Vizavance purchase more SPOT Vision Screeners, which provide results in seconds. Almost half of potentially blinding conditions can be prevented if identified early.
- **HSOK** promotes healthy lifestyle choices among children, families and school faculty by improving the quantity and quality of health and physical education programs statewide. About 38,000 students, families and faculty will benefit from their educational programs in the 2022-23 school year. In addition, HSOK schools receive financial assistance, public recognition, educational ideas, evidence-based health and physical education curricula, assessment materials, technical assistance and newsletters.

The annual Kitchen Tour also funds **Alliance Community Service** initiatives, in which our organization donates funds, goods and volunteer hours to support nonprofits in Oklahoma County all year.

We hope you consider placing an ad in our ticket booklet! To book your ad, contact us at [kitchentour@ocmsalliance.org](mailto:kitchentour@ocmsalliance.org) or the phone numbers below with any questions and/or to confirm your participation.

More than 600 people attended last year's Kitchen Tour. We believe YOU will make this 31st year the best Kitchen Tour yet! Thanks in advance for your support!

Sincerely,
